Dear Mr. Chairman:

In the absence of Director Wick, I am replying to your letter of October 26 requesting the views of this Agency on H. Res. 283.

It is difficult to argue with the objectives of this resolution. Clearly greater communication and understanding among the leaders of our two nations can be beneficial to both groups. As the Agency responsible for promoting educational and cultural exchanges, we strongly favor such efforts, and would do our best to facilitate them.

We are pleased to note that the resolution does not single out any one group of Soviet leaders; presumably representatives could be drawn from a wide range of national and local governmental bodies within the Soviet Union. We are also pleased to note, in these extremely tight budgetary times, that there is no funding requirement levied in the resolution.

We have been advised by the Office of Management and Budget that from the standpoint of the Administration's program there is no objection to the submission of this report.

With best regards.

Sincerely,

Marvin L. Stone  
Acting Director

Dante Fascell
